Specific facilities provided for Women

Gender sensitivity refers to the aim of understanding and taking account of the social and cultural factors involved in gender-based exclusion and discrimination in the most diverse spheres of public and private life. It focuses mainly on particular cases of structural disadvantage in the positions and roles of women. Institution shows gender sensitivity by providing facilities such as

Safety and Social Security:

CCTV Cameras:

For security and safety purpose, the institute has CCTV and DVR system for surveillance. The entire campus is covered with 158 High quality CCTV camera network along with 17 DVR systems of high capacity, at various locations.

OPD within Campus:

The OPD with lady doctor and ambulance services are available within the campus for the students in the campus and girls' students in the hostel. The dispensary has a consulting chamber equipped with BP apparatus, emergency medicines, weighing machine, oxygen cylinder & ambulance facility available to students free of cost.

Counselling:

The girls are encouraged through counseling to participate in various activities like Annual Social Gathering, NSS, Sports, Youth Festival etc. as per their comfort and interests. The activities like Teacher-Guardian Scheme, Women's Grievance Cell (WGC) and Women's empowerment programs develop the courage and confidence amongst the female students.

Teacher-Guardian Scheme:

The students are monitored, understood along with their personal issues and guided accordingly by their teacher guardian through proper counseling.

Women's Grievance Committee (WGC)

Grievances of female Staff and students are redressed through Women's Grievance Committee (WGC)

Girls' Common Room:

Common room facility for girls is available in every department. The common room is designed to offer them a place to relax, study and for informal discussion during recess period. Daily newspaper and magazines are available for leisure reading. Even the girls consume their tiffin during the recess. Female students appreciate this facility.

7	Department of Mechanical Engineering	D-205

Girls Hostel

Believing in imparting the best housing facilities along with a homely stay for our girl students; keeping all safety and security measures intact; we have built a **Home away from home** making engineering a profound and a splendid learning experience. Staying in the campus is especially pleasant experience because resident students have easy access to several facilities. Our hostels are well known for its extensive residential facilities. Students have the luxury of being in Amravati, outside the bustle of the city, yet not far from the attractions of the city. Our hostels are the best hostels in Amravati which provides affluent accommodation for girls.

Our hostels are in campus of Sipna College of Engineering and Technology which is easily accessible, affordable, and hygienic place to stay in the lush green campus of our esteemed institution. We provide cozy sharing accommodation with twin/three beds in every room

with air conditioner (AC), study table, cupboard, mirror, chair, etc

We have four girls' hostels:

- **Punyashlok Ahilyabai Holkar Girls' Hostel**
- **Rani Laxmibai Girls' Hostel**
- **Krantjyoti Savitribai Fule Girls' Hostel**
- **Rajmata Jijabai Girls' Hostel**

Facilities:

- For pure drinking water, water cooler with aqua guard is installed on the ground floor and second floor.
- Wi-Fi 24X7 connection is made available, so that the students can access internet.
- A visiting Doctor is appointed for regular medical checkup of students, who visits twice a week.
- Fire Extinguisher is also available on each floor.
- Bathrooms and toilets are available on every floor with 24 hours water supply. Warm water for bathing is also made available.
- The Superintendent resides in the hostel and monitors the students' activities.
- 24 X 7 security guards are available for the student's security.
- The wash basins and washrooms are cleaned daily by a lady cleaner.
- Every room in the hostel is swept and mopped regularly by a lady sweeper.
- Geyser, vending, and incinerator machines are also installed.
- For any medical emergency an ambulance is available with all the necessary medical equipment.

Cafeteria (Mess):

The hostel mess has a separate dining hall and a well-equipped kitchen catering with clean and hygienic environment. The food served is of high quality and meets the nutritional

quality standards. Special emphasis is laid to provide a well-balanced, nutritious diet with varying food tastes. The meals served in the cafeteria are breakfast with tea, lunch and dinner every day. The weekly menu of the meals is available with the mess in-charge. The best quality vegetarian food is freshly cooked and self-service system is promoted during the meal hours.
