

What you need first

- **Aadhaar number** (yours).
 - **Your school details:** school name and your **Roll/Admission/Registration/Enrollment number**.
 - **Phone with DigiLocker app** (Android/iOS) and an active mobile number for OTP.
-

Steps in the DigiLocker app

1. Install & Open DigiLocker

- Play Store/App Store → search “**DigiLocker**” → install → open.

2. Sign Up / Sign In

- New user: tap **Sign up**, enter mobile, set **6-digit PIN**, verify OTP.
- Existing user: **Sign in** with mobile/username/Aadhaar + PIN.

3. Link Aadhaar

- In Profile, tap **Link Aadhaar** → enter Aadhaar → verify with OTP.

4. Find the APAAR/ABC service

- On Home, tap **Search** (🔍) or **Services** → search “**Academic Bank of Credits**” or “**ABC**” → choose “**ABC ID Card / APAAR**”.

5. Enter details

- Your **Name/DOB/Gender** may auto-fill.
- Select **Admission Year** (when you entered this school level), choose **Identity Type** (Roll/Registration/Enrollment/New Admission) **Note: if you don't understand what to select here then you can select “None” also and enter its value.**
- **Select your School** from the list (use search if needed).

6. Consent (with Parent/Guardian)

- Read the consent text together.
- Your **parent/guardian** should approve the consent.
- Tick the checkbox → tap **Get Document / Join Now**.

7. Get your APAAR (ABC) ID card

- If successful, the **APAAR/ABC ID card** appears under **Issued Documents**.
- Tap the ⋮ menu → **Download** to save the PDF card.
