

Girls' Hostel Activities and Student Welfare

Academic Session: 2025-26

During this academic year, regular visits were conducted to all girls' hostels to ensure the smooth functioning of hostel administration and to promote the overall welfare of hostel residents. The photographs enclosed with this report illustrate the various activities undertaken during these visits.

Meetings were held with student representatives from different hostels to discuss issues related to hostel management, student welfare, cleanliness, safety, and the quality of facilities. These interactions provided a valuable platform for students to express their concerns and suggestions, enabling the Hostel Committee to take timely and appropriate action.

Periodic inspections of the dining halls and kitchen facilities were carried out to assess hygiene, cleanliness, food quality, and overall maintenance. Necessary guidance was provided to the mess staff to ensure that nutritious, hygienic, and timely meals were served to all hostel residents.

The Hostel Committee also organized meetings with hostel residents to encourage open communication and foster a supportive living environment. Students were encouraged to actively participate in hostel activities and maintain discipline while contributing to the overall development of the hostel community.

Students enthusiastically participated in various cultural programmes like Holi, Gudi-Padwa, Tulsi-vivah, Jayanti's etc. organized throughout the year. These activities promoted creativity, teamwork, leadership, and a sense of community among hostel residents, contributing to their holistic development.

During the LPG gas crisis, the Hostel Committee, under the guidance of the principal, convened an emergency meeting to review the situation. To ensure uninterrupted meal services, it was resolved to make temporary cooking arrangements using firewood until the LPG gas supply was restored. This proactive measure ensured that all hostel residents continued to receive meals without inconvenience.

1. Student Representatives:

- Rani Laxmibai Girls Hostel: Hostel Representatives:

**Isha Sharma
Navkar**

Shruti Shete

Samruddhi Bhartiya

Madhumita
