ACKNOWLEDGEMENT

First of all I would like to give my sincere thanks to my guide **Prof. S. S. Kalmegh**, who accept me as his student and being mentor me. He offered me so much advice, patiently supervising and always guiding in right direction. I have learnt a lot from him and he is truly a dedicated mentor. His encouragement and help made me confident to fulfill my desire and overcome every difficulty I encountered. I would also like to express my gratitude to **Dr. S. S. Ingole**, H.O.D, Mechanical Engineering Department.

I am hugely obliged to **Dr. S. M. Kherde**, Principal, for giving me the opportunity to continue my education and enhance my knowledge. I would like to express my appreciation to all those colleagues and all other professors who have offered me their time and valuable advice for encouragement and suggestions during the partial fulfillment of the mini-project.

Mr. Ajinkya S. Lodam
